Executive Director
Sonography Canada
2-215 Van Buren Street
Lower Level
Kemptville, ON K0G 1J0

Dear Ms. Clarke:

Subject: Notification of Registration for Accreditation

This notification is to inform Sonography Canada of a recent application for accreditation. The application for Camosun College, Diagnostic Medical Sonography (generalist, vascular and cardiac) diploma program has been accepted.

The dates for the submission of the self-assessment and on-site review of the Diagnostic Medical Sonography program will be determined at a later date, taking into consideration the impact of COVID-19.

The names of the educational programs and the status “registered” is included in the *List of educational programs (accredited and registered)* published at www.accreditation.ca.

Please contact me at Carl.Damour@healthstandards.org if you have any questions.

Sincerely,

Carl Damour
Interim Director, EQual
